About us

We're Southmead Development Trust, a charity made up of staff, volunteers and residents who work together to achieve our vision of a thriving community. We improve health, wellbeing, local pride, and employment. We bring business and investment to the area.

Our three sites – Greenway Centre, Southmead Youth Centre and Southmead Adventure Playground, are much-loved local venues that provide inspiring spaces for events, meetings, training and business. We run or host an exciting programme of events ranging from conferences and sporting events, to creative writing, dancing and pantomimes.

Southmead Youth Centre and Southmead Adventure Playground are valued sites within our community where we provide multiple weekly open access sessions to engage children, young people and families throughout the year. We have an important role during the school holidays to provide activities and food so children and young people have a safe and fun place to visit. We offer a warm, welcoming and inclusive play environment where every individual is valued and is encouraged to find their space.
