About us

We're a charity made up of staff, volunteers and residents who work together to achieve our vision of a thriving community. We improve health, wellbeing, local pride, and employment. We bring business and investment to the area.

Our sites – Greenway Centre and Southmead Adventure Playground, are much-loved local venues that provide inspiring spaces for events, meetings, training and business. We run or host an exciting programme of events ranging from conferences and sporting events, to creative writing, dancing and pantomimes. Residents enjoy a fun, welcoming community with a large café and newly refurbished gym. However, so much more can be done to maximise and continually diversify the use of these spaces.
