About us

We're Southmead Development Trust, a charity made up of staff, volunteers and residents who work together to achieve our vision of a thriving community. We improve health, wellbeing, local pride, and employment. We bring business and investment to the area.

Our three sites – Greenway Centre, Southmead Youth Centre and The Ranch (Southmead Adventure Playground), are much-loved local venues that provide inspiring spaces for events, meetings, training and business. We run or host an exciting programme of events ranging from conferences and sporting events, to creative writing, dancing and pantomimes. Customers enjoy a fun, welcoming community with a large café and newly refurbished gym. However, so much more can be done to maximise and continually diversify the use of these spaces.

We run two free, open access youth sessions at The Ranch (Southmead Adventure Playground) each week. We have a number of facilities, including a music studio, nature space and multi-use sports area. We believe in providing a safe space for young people to build friendships, feel supported, and explore interests and passions.
