- Carry out regular outreach and pop-ups to understand residents' priorities, identify ideas, energy, and opportunities for change.
- Grow and diversify our volunteer programme to offer opportunities that build confidence, skills, and social connection, and invest in group leaders to expand community-led groups and services.
- Develop a new generation of community leaders from diverse backgrounds, building skills and retaining knowledge through apprenticeships and volunteering.
- Ensure our communications reach everyone through diverse channels and content, so people know they are welcome and how to get involved.
