

JOB ADVERT

SDT Regeneration Team Leader

We are looking for an individual who is passionate about communities and housing. Reporting to the CEO of Southmead Development Trust you will drive forwards Southmead Development Trust's ambitions to deliver physical regeneration projects in Southmead including community led housing. You will manage consultants, funders, advisors, contractors and at all times ensuring the community's interests are championed and fostering a genuine sense of community ownership. In the coming year we plan to submit a planning application for 300 community owned homes in partnership with United Communities Housing Association.

The salary will be approximately 40k per annum (pro-rata), the hours are approximately 22.5 per week to be worked flexibly. This is a fixed term 24 month contract. If successful this may be extended.

For more information and an application form please contact Sam Garbett at the Southmead Development Trust on 0117 9503335 or samgarbett@southmead.org the deadline for applications is Thursday 4th January 2018. Interviews are likely to take place on Wednesday the 10th January 2018.
