## Life Planner – Southmead

Are you passionate about supporting individuals to achieve greater independence, preventing and reducing social isolation?

Would you like to see people more connected to their community, accessing meaningful activities and being less reliant on services, including Adult Social Care?

Are you excited about facilitating greater neighbourliness in Southmead?

If that's you, this full-time role is to be part of a new social investment project, joining our 'Combining Personalisation and Community Empowerment' team.

We're looking for someone with the skills to work confidently and sensitively 1to1 with people, building trust quickly and working in an empowering and asset-based way. You will have excellent people skills, work well within a team and enjoy the challenge of helping to set-up a new project.

The salary is £30,000-34,000. For more information and an application pack please contact Charlie Ferdinando at the Southmead Development Trust on 0117 9503335 or [charlieferdinando@southmead.org](mailto:charlieferdinando@southmead.org). The deadline for applications for this post is 26<sup>th</sup> Feb.
