

# CHARGE THE EARTH SUMMIT

SATURDAY 1ST OCTOBER

10AM - 4PM

GREENWAY CENTRE, SOUTHMEAD

We're being charged the Earth for our energy bills and our lack of climate action is putting a charge on the Earth itself. Come to my event to:

1. Get help with your energy bills
2. Reduce the amount of energy you use
3. Meet local climate action groups
4. Get an update on national climate action
5. Get your kids involved with interactive sessions
